

Mortal Curiosity

2022 End-of-Life Virtual Conference Series

2022 End-of-Life Virtual Conference Series

For more than two decades we have been the premier provider of end-of-life education in southern Arizona.

In 2021, we went virtual, and reached over 1,000 attendees in our community.

We invite you to support community members who are curious about mortality through our supportive and challenging discussions, presentations, film, and games.

Your sponsorship allows us to welcome all to this free series of events. If you have an idea for a session that you'd like to see, please let us know!

We can be reached with questions and suggestions via email at:
